Dear Friends of the Arctic:

“Rejoice in the Lord always, and again I say, rejoice!” (Phil.4:4)

In the high Arctic, the summer season has seemed to slip by so quickly...the glorious bright rays of the midnite sun are long gone....new ice is forming quickly, and the tundra is blanketed with fresh snow. Yes, winter is now fast approaching and the Inuit hunters have high expectations for a good winter.

But in the village of Cambridge Bay, the Christians have greater expectation and excitement for the church's upcoming 50th Anniversary Conference in November, (Nov. 21-28). We plan to celebrate this milestone with a village-wide evangelistic outreach for children, Youth Rallies for young people, and then culminating with a 4 day Celebration Conference with revival services each evening and daytime teaching classes.

Several volunteers are coming to join with the local Inuit Christians to make this truly a soul winning event. “SOULS, SOULS FOR JESUS!”....please join us in believing prayer for a great move of God in Cambridge Bay!!

Recently, we have received a new challenge regarding our Bible School in Rankin Inlet, Nunavut. For over 20 years the School has been in operation and many Inuit students have received Government funding for their *airfares* (there are no roads outside the villages), *living expenses*, and *books*, enabling them to study and prepare themselves for future ministry. Through the Bible School program leaders have been raised up who are now pastoring many village churches.

PASTOR HARRY

One couple who is currently attending the Bible School is Kupapik and Mary. They are both on fire for the Lord, and Kupapik has a strong call in his heart to become an Evangelist. Very recently we were informed that the Government has changed policies, and has stopped all funding for Bible School students.

Several of our students have only one year left to graduate, and we feel committed to provide them the opportunity to complete their Bible School courses. We are asking if you can help with financial assistance for our Arctic Bible School this year so we can continue to assist more Inuit students prepare themselves to reach their people with the gospel.

Will you help to sponsor a single student, or a couple to attend Bible School? The cost for airfare, food, lodging and books is \$2000. per student. Please pray about this pressing need, and do whatever the Lord puts in your heart to do.

We are so grateful for your ongoing faithful prayer and financial support, and we know you will continue to pray, and do what you can to further the gospel in the Arctic. May the good Lord continue to bless you, and meet your every need also!

Yours for the harvest,

Kayy
