Dear Friends of the Arctic:

Joyful greetings from the bright and sunny Arctic....

What a delight it has been to welcome back many hours of sunshine as the midnight sun shines in all its glory melting away the ice and bringing a glorious new light across the barrens!!

The bible says children are "the heritage of the Lord". Many Inuit children need your prayerful support as they are destined to become the future leaders of the North. The Youth Conference which took place recently in Rankin Inlet brought new hope and purpose to many young people. Pastor Richard reported over 100 youth responded to make Jesus Lord of their lives as hundreds gathered together in the school gym. Many more were set free from drugs and bondages during the 6 days of teaching classes and evening rallies!

We do count on your prayers and support to keep reaching out to more needy youth of the Arctic. Together, we can make a difference for Jesus in the North!

During this summer season in the Arctic many Inuit families are out "on the land" in their camps fishing, hunting and preparing "mipku" and "bipsi" (dried meat and fish) for the long winter ahead. But when they return to their villages, the Christians will have many great testimonies of the Lord's wonderful provision and protection while in their camps.

OVER...

CAMBRIDGE BAY, NU

HAPPY INUIT CHILDREN

EMILY & BABY

The summer season in the Arctic is truly *short!* All too soon the good weather for construction projects will pass, the chilling north winds will blow, then the winter snow will blanket the land once again. So we must work quickly to complete projects during the good summer weather.

Our church in Cambridge Bay, Nunavut, (a village high above the Arctic Circle) is urgently in need of new siding on their church. The building is over 50 years old (recently they celebrated 50 years of church ministry there). They have ordered the siding which will arrive by a freight ship in August. *A volunteer crew of men is ready to go do the job, but we need to assist them with airfares!* Will you help us? What a blessing you would be by giving to this needy project!!

Also the Christians in Repulse Bay, Nunavut are believing God for a new church as their present building is in need of extensive repairs. Please join us in prayer for this need, and give freely as the Lord speaks to your heart.

Later this fall we plan to visit several of our Arctic churches, and we so appreciate your prayerful support that the Lord will work supernaturally in many hearts and lives.

Thank you again so much for your unfailing partnership in this Arctic vision. May the Lord's abundance overflow in your hearts and homes also.

Yours for the harvest,

Kayy
