Dear Friends of the Arctic:

The midnight sun has almost faded from the skies, and the chilling north wind has begun to blow again, but the **faith** and **expectancy** of the **Inuit Christians** is high....they truly expect to see, in this oncoming winter, more **souls saved**...more **miracles** and more **revival fires** sweeping across their land!!
The fast changing Arctic seasons clearly remind us we need to work for souls while there is still **DAY!**
The **night** will soon come and many are not ready for **the LORD'S RETURN!**

Many Inuit families have returned from their summer camps to settle into village life again, but it is still a great time for **fishing!!**
Take a look at Pastor Harry, and Simon's wonderful catch of those beautiful, **tasty Arctic Char!!**

Good reports are still coming from many villages that God is still pouring out **HIS SPIRIT**, as He said He would in the last days. Even through the summer season, the people of the North love to meet together, to pray and preach **God's Word**, and truly, **REVIVAL FIRES** continue to burn in many hearts.
They have a **great desire** to spread the **Gospel** to all in their land.

WEDDING - PASTOR HATTIE

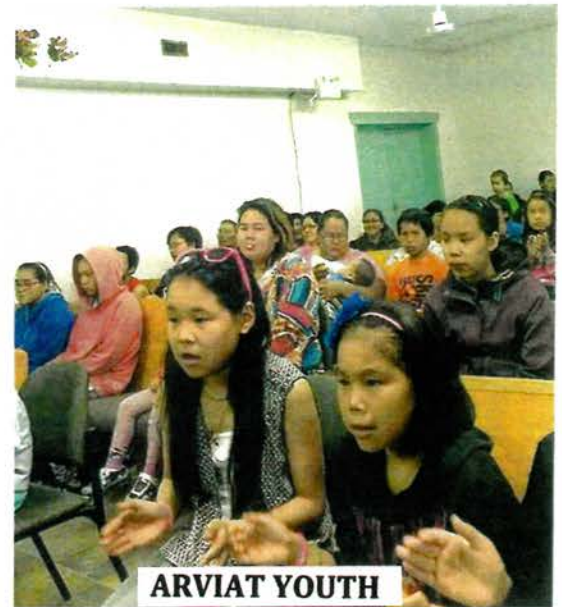

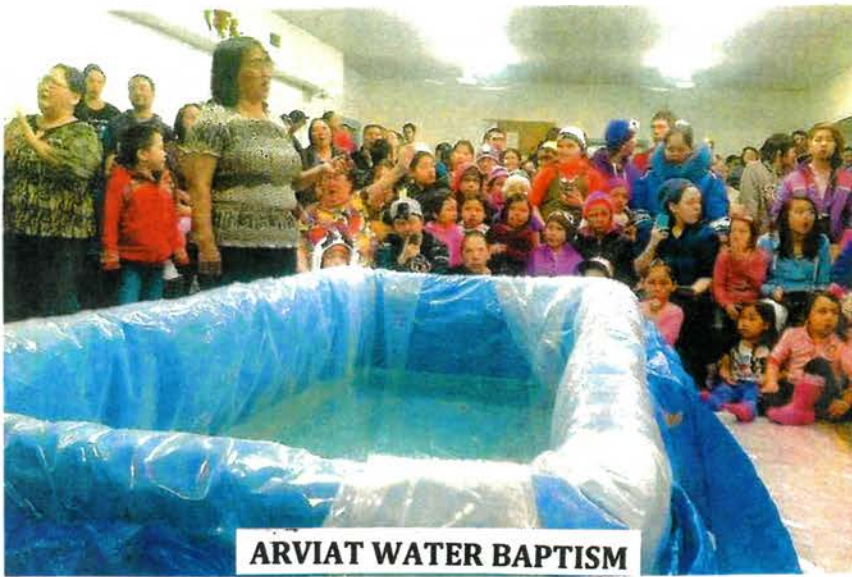

PASTOR HARRY'S ARCTIC CHAR

SIMON'S BIG CATCH

....OVER

The Arviat church is often filled with **enthusiastic young people**, and Pastor Hattie just reported another **8** were **baptized** in water...PTL! Also, last weekend Pastor Hattie had the privilege of officiating the **marriage** of her oldest **grandson**. What a joyous occasion for the family, as these young people set on their new journey together, with their hands in the **Lord's big hand!**

We are excited to plan for **LEADERSHIP TRAINING COURSES** in our BIBLE SCHOOL in RANKIN INLET in November. Many Bible School students will come for Leadership Training, Holy Spirit Revival Meetings, Outreach, and ending with a **HIGHLIGHTGRADUATION & BANQUET.**

In the Arctic there are no roads connecting the villages, so we must travel by commercial aircraft. This is costly, and often difficult, but the eternal blessings and benefits of being taught God's Word and filled with His Spirit are immeasurable. Will you pray, and do what you can to assist these faithful students to attend this important gathering in Rankin Inlet in November?

Our earnest desire is simply to be **HIS HAND EXTENDED** to these dear Inuit people to teach and train leaders who can answer more "**cries in the night.**" But, we can not do it alone....we need you to link hands with us in **prayer** and **financial** giving. Together, with God's blessing, we will be amazed at what the Lord will yet do in the land of ice and snow!!

May God bless you with renewed strength and joy during these exciting last days, as together, we spread the Word of God throughout this great Northland. Again, from my heart, thank you for caring and sharing so freely in this Arctic vision.

Yours for the harvest,

Kayy
