Dear Christian Friends:

We bring you warm Christian greetings from the Arctic, the land of ice and snow! In this wonderful Christmas season of hope and joy, we are happy to report that the Lord has been moving across these barren lands in some new and wonderful ways!

We have recently returned from visiting several Arctic communities. In Rankin Inlet, Nunavut, we had special services and God is stirring the *fires of revival* there, as well as in Arviat, Baker Lake and Coral Harbour. In all these villages what a joy it was to see the altars filled with Inuit, young and old, calling on Jesus for salvation and healing. Many received spiritual refreshing from the Lord! Praise the Lord...*it's the joy of harvest.*

Recently we were invited by *The Billy Graham Evangelistic Association and Samaritan's Purse* to work together for an ongoing harvest of souls in this great Northland. Two directors met with us for Holy Spirit led planning sessions. These were held in Rankin Inlet, Baker Lake and Arviat. Several church leaders in each village joined together in a spirit of unity for one purpose....*"to reach souls for Jesus in these last days!"*.... as the Lord has spoken *"the fields are white unto harvest."*

God willing, this special evangelistic thrust together will include great gospel crusades with anointed evangelists and **Will Graham**, *Billy Graham's grandson*....an on-fire evangelist much like his grandfather with a passion for souls. Our vision is **SOULS**, and this effort together is a *harvest of souls....to God be the glory!*

Young Men receive Jesus

"Merry Christmas!"

Already, Samaritan's Purse has begun **"Operation Christmas Child"** in Rankin Inlet and has sent in **"shoe-box gifts"** for ALL the needy children in the village. On December 10 our local church and others are having a special community outreach, and will present the gift boxes to all the children. What a beautiful way to help the kids know they are special to God and truly loved.

In the future special evangelistic crusades for the needy Inuit youth, and other gospel outreaches are being prayerfully planned. We are truly grateful for this new door of evangelism the Lord has opened.

In January, Lynn and I are traveling to Rankin Inlet for the 2018 session of our **Bible School and Leadership Training Course**. Each student must travel to the school by air, as there are no roads outside of the villages. These airfares are very costly and some come from far away in Cambridge Bay, Nunavut. Would you consider sponsoring a student to come?....they are hungry for the Word of God and eager to study and prepare to become leaders to help their people find salvation in Jesus. We need your help, and especially your prayers.

Again, from my heart thank you so much partners for all your prayers and donations for this needy Arctic mission field. We so appreciate your faithfulness over the years!

In this joyful Christmas season we pray that you and your family will have a very joyous Christmas, and may God's blessings overflow in 2018!

In Christian Service,

Kayy
