Dear Friends of the Arctic:

There is excitement in the Arctic at the anticipation that Spring is on the way....but winter has lingered with its cold north winds, and below zero temperatures leaving the land still blanketed in snow. An even greater excitement has gripped the Inuit...a great anticipation of an end-time *harvest of souls*, and the great hope of our *soon coming King!*

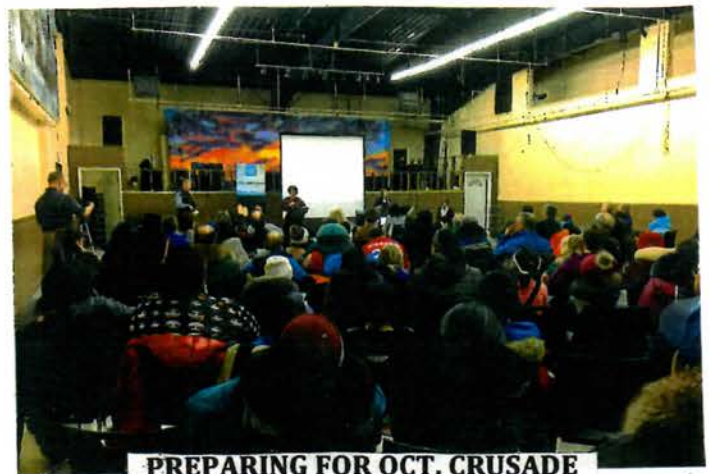

We have been busy as we have partnered together with the Billy Graham Evangelistic Association for this great harvest of souls in the Arctic....men, women and children who need to be reached with the loving message of the gospel of Jesus Christ.

We are working together with the Billy Graham Assoc. planning for a great evangelistic crusade in Rankin Inlet, Nunavut on October 26 & 27, 2018 with **WILL GRAHAM**, the grandson of the late BILLY GRAHAM. As the Lord leads in the future, many other Arctic villages will also have great **Evangelistic "CELEBRATIONS"** with Will Graham. This is a partnership birthed by the Holy Spirit to reach *many souls* across the Arctic in these last days. Please pray about helping financially with these outreaches as travel is only by airplane, and very expensive.

Our Bible School students in Rankin Inlet, NU, have now returned to their villages, after a great time of *study and prayer*. One student, DAVID, from Cambridge Bay, had just given his heart to the Lord before Christmas and came to Bible School eager to study God's Word. He had grieved for so long over the tragic accident which took the life of his young daughter.... But the Lord pulled him out of his despair and filled him with the Holy Spirit...*to God be the glory!*

4 GENERATIONS**

This year in Bible school we had prayer meetings each day and everyone interceded for many souls to be saved. We also prayed for our many partners who prayerfully and financially help this Arctic ministry.

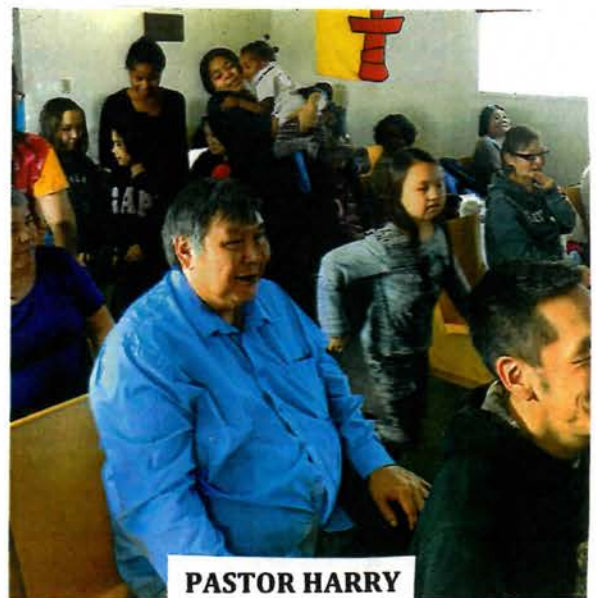

Lynn and I have just returned from special meetings with the Inuit in Cambridge Bay, NU. Pastor Harry and his sister, Kitty the main worship leader are an inspiration as they lead the saints there in resounding praise. After the services ,which continued for seven nights, the fellowshiping and testimonies went on until midnight as many Inuit testified of the transformation in their lives because of Jesus...with lots of tea, bannock and laughter. One of the *pressing needs* for the Cambridge Bay church is a new furnace and we are praying for God to provide it.

In this Easter season we are reminded of the **resurrection power of Jesus Christ**, who not only was *raised up on the third day....but He will soon return to raise us all up! Hallelujah!* Please help us with your continued prayers, and pray about giving a gift to **Arctic Missions** so *many more souls* will be reached before it's *too late*.

May the good Lord richly bless you in this Spring season!

Blessings,

Kayy Gordon
